

30 APR 1957

Mr. Archibald J. Carey, Jr.  
Acting Chairman  
The President's Committee on  
Government Employment Policy  
Washington 25, D. C.

Dear Mr. Carey:

In response to your inquiry of 27 March 1957, this Agency finds the Training Guide prepared by your Committee very helpful in conducting conferences and discussions with supervisors in matters of personnel management. Such conferences are held with supervisors at all levels with particular emphasis in those components where personnel of mixed races and national origin are predominant. It is used by the Inspector General's Staff in appraising the effectiveness of personnel policies and practices.

The Guide is also being used to outline a series of lectures devoted to non-discrimination in personnel administration and to a discussion of the procedures to implement the terms of Executive Order 10590. These lectures will be included in the Agency's supervisory and management training program.

The nature of our work requires the employment of individuals of diverse creeds, color and national origin. I am pleased to report that the evils of discrimination are well recognized within this Agency and that our personnel relations are handled with thoughtful care and consideration. Your Training Guide is well received and provides the guidance needed to establish better programs for the benefit of all employees.

Sincerely,

SIGNED

C. P. Cabell  
Lieutenant General, USAF
